## Book Details:

*Review: I decided to read this book after seeing David Shade in a Eben Pagen program. He repeats the same material over and over and the main gist is talk dirty to women. Most of the book is composed of emails he has received from past readers. All of this book, and the VERY limited advice he gives could have been summed up in one small Ebook. Do not waste...*

*Description: Women can only get all the things they really want when men know these truths, but women cannot speak these truths because that would violate all the rules. Society covers up these truths to maintain order, but it leaves women unfulfilled and men confused. Men are further frustrated by the seemingly contradictory logic of women. She wants a nice guy...*
